Doctor Pierce's Favorite Prescription restores weak and sick women to sound health, by curing the local womanly diseases which are generally responsible for the failure of the general health. A woman's entire being is centored in her womanly nature. When the delicate womanly organism is attacked by disease; when there is irregularity or a disagreeable drain; when infiammation burns and ulcers gnaw the general health will reflect the progress of disease, in increasing weakness, nervousness, backache, headache, loss of appetite and sleeplessness.

So sure of it is the World's Dispensary Medical Association, of Buffalo, N. Y., proprietors of Dr. Pierce's Favorite Prescription, that they offer \$500 reward for women who cannot be cured of Leucornhea, Pemale weakness, Prolapsus, r Falling of Womb. BATTLE WITH HIGHWAYMEN. In a desperate battle with five highwaymen John Gaffney, an 18 year-old boy of Ebervale, Pa., on Saturday ever ing shot two of his assailants and foiled an attempt to rob him of \$3,000 belong ing to miners in the employ of G. B. Markle & Co. The holdup occurred in broad daylight. Gaffney, who is a one legged youth, was employed by the miners at Ebervale to carry their wages

from the office of the company. He left Jeddo accompanied by his aged mother. While passing a clump of bushes five highwaymen jumped out at them. Young Gaffney, suspecting that a holdup was about to occur, drew his revolver. The first man that approached him he shot in the leg. The man dropped, but the other highwaymen came on with a rush, and young Gaffney fired again. This time he struck one of the highwaymen in the arm. Then a third man grabbed Mrs. Gafiney and tried to seized an envelope which contained \$15 belonging to her husband. Gafiney fired, but missed him. The highwayman turned on the youth

and overpowered him and took the re volver from him. The highwayman tried to shoot Gaffney, but two cartridges failed to explode. The robbers then knocked down the old woman. By this time sev-eral miners from the Jeddo colliery came in sight and the highwaymen took to the woods.

As soon as Gaffney had sighted the robbers he had tossed the hag containing the miners, wages into a clump of bushes. The highwaymen had not noticed this act, and when the battle was over a search was made for the missing treasure. It was found intact and the young man It was found intact and the young man and his mother the proceeded to Ebervzle, where the money was delivered to the waiting miners. A posse was immediately formed to search for the highwaymen, but without avail. The heroism of the youth in defending the hard-earned money of the miners will be rewarded.

Robbed the Grave.

A startling incident is narrated by John Oliver, of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coaled, pain continually in back and sides, no appetic, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed at E. S. Leadbester & Sons' drug store.

We Offer \$1,000

For a Disease Germ That Liquozone Can't Kill.

On every bottle of Liquozone we ery. We did this after testing the publish an offer of \$1,000 for a disease product for two years, through physicians and hospitals, in this country to convince you that Liquozone does to make the convenience of the convenience

as we claim.

Please note what that means. Any drug that kills germs is a poison, and it cannot be taken internally. Medicine is, therefore, almost helpless in any germ disease. Liquozone alone can kill germs in the body without killing the tissues, too.

Acts Like Oxygen.

Liquozone is the result of a process which, for more than 20 years, has been the constant subject of scientific and chemical research. Its virtues are derived solely from gas, made in large part from the best oxygen producers.

By a process requiring from the contains the country and nothers.

That price was paid because Liquozone does what all the skill in the world cannot do without it. It does in germ diseases that which is impossible with drugs. It carries into the blood a harmless yet powerful germicide, to destroy at once and forever the cause of any germ disease. And no man knows another way to do it. Liquozone is new in America, and millions who need it don't know of it. For that reason we are spending \$500,000 to give the first bottle free to each of a million sick ones.

Germ Diseases.

If you need Liquozone, and have never tried it, please send us this coupon. We will then mail you an order on your local druggist for a full-size bottle, and we will pay your druggist ourselves for it. This is our free gift, made to convince you; to show you what Liquozone is, and what it can do. In justice to yourself, please accept it to-day, for it places you under no obligation whatever.

CUT OUT THIS COUPON

My disease is.

I have never tried Liquozone, but if you will supply me a 50c. bottle free I will take it.
